

BODY-CASE M charging station, surface mount

OKW Accessory

Tuotekoodi: B1704017
EAN:
Valmistaja: OKW

STATION M

For storing BODY-CASE M when not in use, and for fitting electronics, in particular for inductive charging of the device. Guides in the top part allow the enclosure to be easily located into position. On request, the stations can be mounted in series, for example as a charging console.

Supply

Top part, bottom panel, assembly kit
