

BODY-CASE L charging station, recess mount

OKW Accessory

Tuotekoodi: B1706807

EAN:

Valmistaja: OKW

STATION L (MOUNTABLE)

Station top part only, for mounting individually or in series on a table stand, equipment housing or the like. Used as a storage or charging cradle for BODY-CASE L when it is not in use. For example, inductive charging electronics can be fitted inside. Guides in the top allow the enclosure to be easily located into position. An accessory seal (B1706003) is available for IP 54 protection class. Download the drawing for the mounting cut-out details.
